Our Mission

Cosy Home and Community Care is committed to a shared, person-centred mission. We continuously improve our services to maintain a home care and personal service that is responsive to the needs of care recipients and families while facilitating their individuality and independence.

Our Services

Cosy Home and Community Care provides a broad range of services so you can access what you need, all in one place. Our highly trained staffs deliver an exceptional level of personal care that's built around respect and trust.

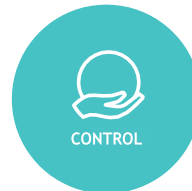

Choice

Empowering you to design an individualized support plan focused on assisting you to achieve your goals.

Flexibility

Delivering flexible and responsive services and support to suit your individuality and changing requirements.

Control

Giving you control over how your funds are spent and what services form part of your personalized support plan.

STEP 1

Contact Cosy Home and Community Care 03 9457 5968 or Visit www.cosyhomecare.com.au
55 The Mall Bell Street
Heidelberg West VIC 3081
Our friendly team can assist you at any time to explore your individual needs.

STEP 2

Arrange an in-home support planning discussion.

Cosy Home Community Care representative can meet with you at a location of your choice to tailor services that are right for you. You are welcome to have someone there to support you during this discussion.

STEP 3

Review your support plan.

Our team will then provide you with a complete support plan that meets your unique requirements, along with a clear and transparent budget for your approval.

STEP 4

Start the supports you'll receive and live life on your terms.

You can decide when and where your service begins. We will provide you with a service agreement and you can change your support plan at any time.
